What are some indoor fiber optic cable factories in South Africa

Overview

Top Fiber Optic Cable Manufacturing Companies in South AfricaIdentify and compare relevant B2B manufacturers, suppliers and retailers. Max. FTTx and Energy.

Key Takeaways

Several South African companies manufacture and supply indoor fiber optic cables, including CBi Telecom, M-TEC, Dartcom, and Robustec Trading. Key Manufacturers and SuppliersCBi Telecom is one of the largest fiber optic and copper cable manufacturers in Africa, producing a wide range of indoor and outdoor fiber optic cables tailored to customer specifications. They offer structured cabling solutions and OEM services, making them a major player in the indoor fiber optic market in South Africa (Centurion, Gauteng).

M-TEC has been operating since 1911 and manufactures various optical fiber cables, including indoor cables, micro duct cables, and direct-buried options. Their products serve South Africa and neighboring countries, providing high-quality solutions for indoor telecommunications networks (Vereeniging, Gauteng). Dartcom Fibre Solutions distributes a complete range of indoor and outdoor fiber optic products, including wall-mounted distribution closures, termination points, and indoor cabling solutions for data centers and enterprise networks.

They focus on seamless integration and high optical performance. Robustec Trading specializes in the manufacture and supply of indoor fiber optic cable assemblies, including drop cables, patch cords, pigtails, and breakout cables. They provide custom-made solutions for FTTH and FTTx deployments, ensuring durability and compliance with international standards.
