Which supplier offers the best multimode fiber optic patch cords in Kuwait

Overview

Patch Cords – Naficon – Leaders in Fiber Optic We manufacture both single mode and multimode (OM1, OM3, OM4 and OM5) patch cords. Patch cords are available.

Key Takeaways

Top suppliers for multimode fiber optic patch cords in Kuwait include Naficon, FiberOptic.ae, and Mejdaf, offering high-quality, tested, and customizable options.

Naficon

Naficon, based in the UAE, offers a wide range of multimode patch cords including OM1, OM3, OM4, and OM5 types. They provide simplex, duplex, and oval duplex cables with various connector options. Each patch cord is tested with a video microscope, and single-mode cords are also measured for insertion loss and reflection loss.

Serial numbers on both ends make identification easy in complex setups. Custom diameters (2mm standard, 3mm on request) and specialized types like MTP/MPO and armored cords are available. FiberOptic.aeFiberOptic.ae supplies LC-MU fiber optic assemblies in both single-mode and multimode types, with simplex and duplex versions.

They offer Rizer-rated or Plenum-rated cables, LSZH and RoHS compliant options, and customizable lengths and connectors. Their on-site manufacturing ensures 100% testing according to industrial and international standards, with fast delivery to Kuwait.

Mejdaf

Mejdaf provides a variety of multimode patch cords with different connector types such as ST-ST, SC-SC, and ST-SC. They offer multiple lengths and configurations suitable for data centers and networking applications, with international manufacturing standards ensuring reliability. Amazon.aeFor convenience, Amazon.ae also stocks multimode fiber optic patch cords with various connectors and lengths.

While stock levels may vary, it provides a quick online purchasing option with delivery to Kuwait.

Recommendation

For high-quality, tested, and customizable multimode patch cords, Naficon and FiberOptic.ae are the most reliable suppliers due to their quality control, testing, and customization options. Mejdaf is suitable for standard configurations, while Amazon.ae is convenient for smaller or urgent orders. When choosing a supplier, consider fiber type (OM1–OM5), connector type, cable rating (LSZH, Plenum), and delivery time to ensure compatibility with your network infrastructure.
