Key Takeaways

Cable tray prices in Andorra vary by material and type, typically ranging from €20 to €150 per unit depending on size, material, and design.

Price Overview

Fiberglass Cable Trays: Andorra Long Sign Fiberglass Cable Trays are available at discounted wholesale prices online, suitable for lightweight and corrosion-resistant installations, with bulk discounts often offered for larger orders. Steel Cable Trays: Hot-dip galvanized ladder-type steel trays, commonly used in industrial and commercial projects, are priced based on standard lengths (2. 4 meters per unit).

Prices generally start around €20–€50 per unit, with fittings and accessories sold separately. Mesh and Stainless Steel Trays: Wire mesh or stainless steel trays, which provide durability and high load-bearing capacity, are available from European suppliers like Eurotray and Niedax. Prices for these premium systems can range from €80 to €150 per unit depending on specifications and installation requirements.

Factors Affecting Price

Material: Fiberglass and PVC trays are generally cheaper than stainless steel or aluminum. Length and Width: Standard units are 2. 4 meters long, but wider or custom lengths increase cost.

Load Capacity: Heavy-duty trays for power cables cost more than light-duty trays for data or control cables. Supplier and Shipping: Prices vary depending on whether the supplier is local in Andorra or shipping from Europe. Bulk orders often reduce per-unit cost.

Purchasing Tips

Compare multiple suppliers, including local distributors and European manufacturers, for the best price and delivery options. Consider total cost including fittings, brackets, and installation accessories. Check for compliance with standards such as DIN EN 61537 or IEC for safety and durability.

By evaluating material, size, and supplier options, you can select a cable tray system in Andorra that balances cost, durability, and installation needs.
