Burundi Cable Tray Sizes and Prices

Overview

Reliable Solutions for Efficient burundi alloy cable tray prices. Discover high-quality burundi alloy cable tray prices designed for efficient cable mana.

Key Takeaways

Cable trays in Burundi are available in various types, sizes, and materials, with prices varying based on customization, material, and load capacity.

Types of Cable Trays

Ladder Cable Trays – Ideal for heavy-duty industrial and commercial applications, made from aluminium or mild steel, offering excellent durability and strength. Sizes can be customized based on width, height, and rung spacing. Perforated Cable Trays – Suitable for light to medium loads, providing ventilation and heat dissipation.

Available in multiple sizes, shapes, and colors, typically fabricated from sturdy metal wires.

PV

C Cable Trays – Non-metallic option for corrosion resistance, commonly used in residential or chemical environments. Sizes are flexible and can be tailored to project requirements. Mild Steel and Stainless Steel Cable Trays – Used in industrial and outdoor applications for high load-bearing capacity and corrosion resistance.

Common Sizes

Cable trays in Burundi are generally available in widths ranging from 50 mm to 600 mm, with depths from 25 mm to 150 mm, and lengths typically 2 to 3 meters per section. Ladder trays may have rung spacing of 150 mm to 300 mm, while perforated trays have standard hole patterns for ventilation. Custom sizes are available upon request to meet specific project needs.

Pricing Overview

Prices vary depending on material, size, and customization. Galvanized steel ladder trays are popular for industrial use and are priced competitively in the local market. Perforated trays are generally more affordable than ladder trays but still offer durability and load support.

Suppliers like Brilltech Engineers, Micro Sheet Crafts, Jeetmull Jaichandlall, and Cable House provide competitive pricing and can offer bulk discounts for large projects.

Supplier Options in Burundi

Brilltech Engineers Pvt. Ltd – Offers ladder, perforated, PVC, mild steel, and stainless steel trays with customization options and timely delivery. Micro Sheet Crafts – Provides modular and customized cable trays with high-grade steel fabrication.

Jeetmull Jaichandlall – Specializes in perforated cable trays with various sizes and finishes. Cable House – Offers a comprehensive range of cable trays with focus on durability and reliability at competitive prices. For accurate pricing, it is recommended to contact suppliers directly with your required dimensions, material, and quantity, as prices fluctuate based on customization and market conditions.
