Cable tray manufacturer and sales

Overview

Top 10 Cable Trays Manufacturers And Suppliers | B2B This list of top 10 online B2B marketplaces and manufacturers will lead you to find your perfect cable.

Key Takeaways

Direct Channel, Superfab, Atkore, and Schiavetti Tekno are among leading cable tray manufacturers offering direct sales of high-quality cable management systems.

Key Manufacturers and Direct Sales Options

Direct Channel offers a wide range of cable trays including light, medium, and heavy-duty options, with pre-galvanized and hot-dipped finishes. Their products include straight trays, couplers, bends, tees, crossovers, and lids, with lengths of 1m and 3m and widths from 50mm to 600mm. They provide direct sales and support for project-specific requirements, ensuring robust and organized cable management solutions.

Superfab Cable Trays manufactures perforated, ladder, GI, MS, and aluminum cable trays. They emphasize high-grade materials, strict quality control, and personalized solutions. Superfab provides direct delivery to project sites, ensuring timely and efficient installation.

Atkore International is a global manufacturer offering standard and custom roll-formed cable trays, including galvanized, waterproof, and fiberglass options. They cater to industrial and commercial projects and provide direct sales through B2B platforms, supporting international shipping and extended warranties. Schiavetti Tekno (Spina Group) specializes in stainless steel, galvanized, and wire cable trays, including closed, perforated, ladder, and wire-mesh types.

They offer custom sizes, compatibility with Unistrut systems, and direct sales with technical support, design assistance, and after-sales service.

Considerations for Direct Purchase

Product Type: Choose between ladder, perforated, wire mesh, or solid-bottom trays based on ventilation, load, and environment. Material & Finish: Options include pre-galvanized, hot-dipped galvanized, stainless steel, aluminum, and fiberglass for corrosion resistance. Accessories: Ensure availability of couplers, bends, tees, crossovers, lids, and risers for complete installation.

Customization: Many manufacturers offer tailored lengths, widths, and load capacities to meet project specifications. Delivery & Support: Direct sales often include logistics, technical guidance, and installation support. For direct procurement, contacting these manufacturers via their websites or B2B platforms allows you to discuss project requirements, request quotes, and arrange delivery, ensuring a streamlined supply chain for cable management systems.
