Cost of Galvanized Pallet Cable Trays

Overview

Cable Tray Price Per Meter: Market Analysis & Cost Discover the key factors affecting cable tray price per meter, including materials, demand, and competit.

Key Takeaways

The current price of galvanized pallet cable trays ranges from approximately ₹74 to ₹90 per meter in India, with variations depending on supplier, tray type, and order volume. Price OverviewIndiaMART Suppliers: Ajay Electric & Metal Industries – starting at ₹74/meterSV Metal & Extrusions Private Limited – starting at ₹85/meterSuper Cable Tray Private Limited – starting at ₹90/meter Buyers can contact these suppliers directly for bulk orders and delivery details, as prices may vary with quantity and customization. Global Market Range: Cable trays generally range from $2 to $25 per meter, depending on material, type (ladder, perforated, wire mesh), size, and surface finish.

Galvanized steel is the most common material, balancing durability and cost. Hot-dip galvanizing (HDG) offers longer corrosion resistance but is more expensive than pre-galvanized options.

Factors Affecting Price

Material and Coating: Hot-dip galvanized trays cost more than pre-galvanized or electro-galvanized trays due to enhanced corrosion protection. Tray Type: Ladder trays are more expensive than perforated or wire mesh trays because they support heavier cable loads. Size and Length: Standard lengths (e.g., 2.

4 meters) are priced per unit, while custom sizes may increase cost. Order Volume: Bulk B2B orders often reduce per-meter cost significantly compared to small B2C purchases. Installation and Shipping: Labor, accessibility, and transport costs can add to the final price.

Supplier Options

India: Multiple suppliers on IndiaMART provide competitive pricing and quick delivery, including Balaji Metal Perforators, Tag Industries, and Indmark Formtech Pvt. Ltd. China: Manufacturers like Jiangsu Holdee Electric Co., Ltd. offer hot-dip galvanized and pre-galvanized trays with international shipping, suitable for large-scale projects.

B2

B Platforms: Alibaba and similar platforms provide bulk pricing ranging from $0. 80 to over $76 per meter depending on specifications.

Summary

For industrial or commercial projects, galvanized pallet cable trays typically cost ₹74–₹90 per meter in India, with higher prices for hot-dip galvanizing, larger sizes, or ladder-type trays. Bulk orders and direct manufacturer purchases can reduce costs, while material quality and corrosion resistance remain key considerations for long-term durability.
