# Cuban manufacturers of pigtail channels

## Overview

Ecuadorian Custom Pigtail Channel Supplier Global Manufacturers. Find and discover international ecuadorian custom pigtail channel supplier manufacturers.

## Key Takeaways

Cuban manufacturers and suppliers of steel and piping components, including potential pigtail channels, include FERROBEND, LOGIMETAL, Steel Sales Co., and verified manufacturers listed in Cuban directories. Key SuppliersFERROBEND supplies a wide range of piping components to Cuba, including pipes, tubes, fittings, flanges, fasteners, and custom-built components. They cater to EPCs, trading houses, and end users, and can potentially manufacture custom pigtail channels to specification.

### LOGIMETA

L is a leading steel supplier in Cuba, working with major importers like Acinox, Metalcuba, and Tecnoimport. They serve industries such as construction, mechanical engineering, naval, and sugar, making them a reliable source for steel channels and custom components. Steel Sales Co. specializes in stainless steel pipe fittings and flanges in Havana.

They produce high-quality stainless steel components (304, 316L, 321) for industrial applications, which could include pigtail channels for piping systems.

### Manufacturer Directories

For broader sourcing, GetManufacturers.com and ExportHub provide directories of verified Cuban manufacturers across multiple industries. These platforms allow buyers to connect directly with factories, view product specifications, and request custom components such as pigtail channels.

### Recommendations

### Contact FERROBEN

D or LOGIMETAL for custom fabrication of pigtail channels in steel or stainless steel. Use Cuban manufacturer directories to identify additional suppliers capable of producing pigtail channels. Specify material, dimensions, and standards when requesting quotes to ensure compatibility with your application.

These sources provide a starting point for locating reliable Cuban manufacturers capable of supplying or fabricating pigtail channels for industrial or construction projects.
