Dubai Cable Management Rack Manufacturer

Overview

Cable Management Systems Manufacturer in DubaiBrowse our range of cable trays, cable ladders, strut channels, cable trunking, lintels, and brackets manufac.

Key Takeaways

Leading cable management rack manufacturers in Dubai include Metar, Legend Star, West Port, and DANA Steel, offering a wide range of trays, ladders, trunking, and accessories for industrial and commercial projects.

Key Manufacturers

Metar Metar is a trusted Dubai-based manufacturer and supplier of cable trays, ladders, strut channels, and trunking systems. Their products are engineered for mechanical strength, corrosion resistance, and long-term durability, suitable for light, medium, and heavy electrical loads. They offer customized widths, side rail heights, and material thicknesses, along with a full range of accessories such as bends, tees, reducers, covers, and coupler plates, ensuring efficient installation across complex layouts in commercial and industrial projects in the UAE.

Legend Star Manufacturing LL

C Located in Jebel Ali Industrial Area-1, Legend Star specializes in light, medium, heavy, and extra heavy-duty cable ladders, trunking, and perforated trays. The company is ISO 9001: 2015 certified and emphasizes high-quality steel construction, compliance with BS 4678 & BS 50085 standards, and competitive pricing. Their systems are designed for structured cabling, fiber optics, and general electrical applications, providing maximum cable loading capacity while maintaining strength and space efficiency.

West Port Cable Tray West Port is recognized as a leading manufacturer and supplier in the UAE, offering perforated, ladder, and solid bottom cable trays. Their products are designed for durability, regulatory compliance, and operational efficiency, catering to infrastructure projects, data centers, construction, and oil & gas sectors. They also provide a comprehensive range of accessories including bends, reducers, elbows, covers, tees, couplers, and end plates.

DANA Steel DAN

A Steel manufactures and supplies cable trays, ladders, trunking, and strut channels across the UAE and Middle East. Their products comply with IEC 61537, BS EN 61537, NEMA VE 1 & 2, and BS 7671 standards.

DAN

A Steel serves offshore, marine, industrial, power plants, petrochemical, and infrastructure projects, with a strong export presence in the Gulf region and Africa. Their cable management systems are proudly made in the UAE and are widely used in high-profile projects.

Summary

These Dubai-based manufacturers provide comprehensive cable management solutions with options for customization, high load capacity, and compliance with international standards. They cater to a variety of sectors including industrial, commercial, infrastructure, and oil & gas projects, making them reliable partners for professional cable management needs in the UAE.
