Egypt s Reputable Tray Cable Tray Manufacturer

Overview

Cable Tray Manufacturer In Egypt | Metal StoreMetal Store is a leading cable tray manufacturer in Egypt, providing Cable Tray Systems & Solar Energy Soluti.

Key Takeaways

Top cable tray manufacturers in Egypt include Metaltech, United Engineers Factory, Sigma Tech, and Rovana Trade, each offering high-quality, durable, and customizable solutions.

Leading Manufacturers

Metaltech is recognized for its robust and versatile cable trays suitable for industrial and commercial applications. They offer perforated trays, ladder trays, and solid bottom trays, all engineered to meet international standards, ensuring long-lasting performance and safety in electrical installations. United Engineers Factory stands out for precision and innovation, producing cable trays from galvanized or black sheet metal with electrostatic coatings.

They provide a wide range of types, including perforated, ladder, ventilated trough, solid bottom, wire mesh, and single rail trays, along with all necessary accessories and installation support. Sigma Tech, based in Sadat City, specializes in industrial-grade cable trays, cable trunks, and basket trays. They emphasize high-quality, durable, and flexible solutions tailored for industrial and commercial environments, with additional services in installation and maintenance.
