How are the cable trays in Uzbekistan

Overview

Cable Trays In UzbekistanWe, one of the well-known Cable Trays Manufacturers in Uzbekistan, offer top-notch trays that keep your electrical system organize.

Key Takeaways

Cable trays in Uzbekistan are widely available through manufacturers and suppliers in major cities like Tashkent, Karshi, and other industrial regions.

Key Locations and Suppliers

Tashkent is a primary hub for cable tray suppliers and manufacturers. Companies such as TBM Stroy, Plant Turon Building Manufacture Ltd, Energoremont, and Integrity Solution Ltd offer a range of metal and electrical cable trays for industrial and commercial applications, including low-voltage and medium-voltage systems (GoldenPages). These suppliers provide detailed contact information, addresses, and working hours for direct inquiries.

Karshi also hosts several suppliers of metal cable trays. Local companies like Andijon Cable Trade LLC are listed in business directories, providing sales, production, and installation services for cable trays in the region (Yellow Pages Uzbekistan).

Types and Specifications

Cable trays in Uzbekistan are available in various materials and designs to suit different applications: Materials: Galvanized steel, stainless steel, and FRP (Fiber Reinforced Plastic). Types: Ladder, perforated, and trough designs for flexible cable management. Features: Corrosion-resistant coatings, modular construction, customizable fittings, and open designs for easy cable installation and heat dissipation.

These trays are suitable for new construction, renovations, or retrofitting projects, and comply with national and international safety standards to minimize electrical hazards and fire risks.

How to Access

Interested buyers or installers can contact suppliers directly via phone, email, or official websites listed in directories like GoldenPages and Yellow Pages Uzbekistan. Many suppliers also offer customized solutions and flexible delivery options to meet specific project requirements. In summary, cable trays in Uzbekistan are readily accessible in major cities and industrial regions, with a variety of materials, types, and suppliers to meet both commercial and industrial needs.
