Huijue Core Switch 24-Port Fiber Optic Port

Overview

Huawei CloudEngine S6730-H24X6C switch is next-generation enterprise-class core and aggregation switches that provide 10GE downlink optical ports and 100GE uplink optical ports, flexibly adapting to diversified network bandwidth requirements. 5G/5G/10GBASE-T ports and 4 x 10GE and 4 x 25GE uplink ports are provided to realize flexible networking. High-power PoE++ is provided and a maximum of 90 W PoE power supply meets different terminal needs. The switches provide high-performance, high-density 100 GE/40 GE/25 GE/10 GE ports, and low latency. They also support cloud management and implement. Huawei campus switches are ideal for building future-proof campus networks with simplified management, high reliability, and service intelligence, across industries such as enterprises, governments, education, finance, and manufacturing.
