

Manufacturer selling drop fiber optic cables

Overview

Fiber Optic Cables CommScope designs and manufactures a comprehensive line of fiber optic cables—from outside plant to indoor/outdoor and fire-rated indoor.

Key Takeaways

Leading direct manufacturers of drop fiber optic cables include Jera Line, ZTO Cable, and major Chinese industrial clusters in Guangdong, Zhejiang, and Henan provinces, offering customizable, ISO-certified FTTH solutions.

Key Manufacturers and Capabilities

Jera Line specializes in high-quality indoor and outdoor fiber optic cables for FTTH applications. They produce pre-terminated FTTH drop cable patch cords with SC/APC or SC/UPC connectors, ensuring faster and cost-efficient installations. Their in-house production covers cable manufacturing, plastic injection molding, metal processing, and assembly, all under ISO 9001: 2015 quality control, allowing for flexible customization and competitive pricing for global clients.

ZT

O Cable Factory offers 1-4 core FTTH drop fiber cables and supports extensive customization, including singlemode/multimode fibers (G. 652, G. 657, OM2, OM3), armored or non-armored designs, LSZH or PVC jackets, and lengths up to 6 km.

They manage the entire production process in-house, from raw material procurement to fiber drawing, cabling, testing, and logistics, ensuring fast turnaround (typically 7–15 days) and direct factory pricing. Free samples and detailed quotations are available for qualified buyers. Chinese Industrial Clusters: Guangdong Province (Shenzhen, Dongguan, Guangzhou) leads in rapid prototyping, advanced R&D, and mature supply chains.

Zhejiang (Ningbo) focuses on precision manufacturing and automated high-volume output, while Henan and Hunan provide cost-efficient production for large orders. These clusters enable economies of scale, compliance with ISO 9001, RoHS, and ITU-T G. 657.

A1 standards, and fast global shipping. Considerations for Choosing a Manufacturer Certifications: Ensure ISO 9001, RoHS, UL, and compliance with ITU-T G. 652.

D/G. 657. A1 standards for signal integrity and mechanical durability.

Customization: Look for manufacturers offering flexible fiber counts, jacket materials, armored options, and connector types. Direct Sourcing: Purchasing directly from manufacturers reduces distributor markups and allows tighter quality control. Delivery and Support: Verify production scale, response times, and global shipping capabilities to ensure timely project execution.

By sourcing directly from these manufacturers, you can access high-quality, customizable drop fiber optic cables suitable for FTTH networks, indoor/outdoor installations, and large-scale telecom projects.

Fiber Optic Cables

CommScope designs and manufactures a comprehensive line of fiber optic cables—from outside plant to indoor/outdoor and fire-rated indoor fiber cables.

fiber drop cable manufacturer

Find top fiber drop cable manufacturers offering custom, durable solutions for FTTH networks. Click to explore factory-direct options with flexible specs and fast delivery.

Global Manufacturer & Supplier of Fibre Optic Drop Cable

Buy Fibre Optic Drop Cable at the best price from Norden Communication, the global manufacturer and supplier of electrical and optical solutions. Choose Norden for the worldwide supply of Fibre Optic

Fiber Optic Drop Cable Producer: Reliable & Customizable

Looking for a trusted fiber optic drop cable producer? Discover durable, customizable solutions for FTTH networks. Click to explore top-rated suppliers with low MOQ and fast delivery.

Drop Cables | Optical Communications | Corning

A single-fiber drop cable suitable for aerial, duct, or direct-buried outdoor installations. Available with Corning's innovative FastAccess® technology, which

OEM Fiber Optic Patch Cords: Standard, Drop Cable and MPO Solutions

GETEKnet offers OEM fiber optic patch cords including standard, drop cable and MPO types. High-quality manufacturer for LC, SC, FC, ST, simplex & duplex jumpers.

10 Best Fiber Optic Manufacturers for 2026

Discover the best fiber optic manufacturers globally, offering cutting-edge multimode and single mode fiber solutions. See who tops the list for quality and innovation.

FTTH Drop Cables – AIMIFIBER

Quick Selection Guide: Aimit FTTH Drop Cables Not sure which cable fits your project? Use this matrix to compare our best-selling models based on installation environment and tensile strength.

Fiber Optic Drop Cable: An Ultimate Guide for 2024

This comprehensive guide delves into fiber optic drop cables, exploring their types, applications, specifications, key considerations for

Fiber Optic Vacuum Feedthrough: High-Performance Solutions

Discover top-rated fiber optic vacuum feedthroughs for ultra-high vacuum systems. Find reliable, customizable options with epoxy-sealed, multi-mode, and temperature-resistant features.
