Mongolian Fireproof Cable Tray Custom Manufacturer

Overview

Home [ectray.com]ECTRAY offer a wide range of perforated cable trays which are fabricated using quality raw material such as Zinc Aluminum Magnesium (ZAM).

Key Takeaways

Key manufacturers and suppliers of fireproof cable trays in Mongolia include Brilltech Engineers Pvt. Ltd. and Jeetmull Jaichandlall (P) Ltd., offering high-quality, durable, and compliant cable management solutions.

Leading Manufacturers

Brilltech Engineers Pvt. Ltd. is a prominent supplier of cable trays in Mongolia, including fireproof, perforated, and galvanized options. Their trays are made from premium materials such as galvanized steel, stainless steel, and fiberglass, ensuring durability, corrosion resistance, and fire protection.

They provide solutions for various applications, from industrial plants to commercial buildings, and offer installation support, system design assistance, and compliance with industry standards. Jeetmull Jaichandlall (P) Ltd. is another trusted manufacturer in Mongolia, producing cable trays in various sizes, shapes, and materials. Their products are designed to withstand heavy loads, resist deformation, and meet stringent quality standards.

They focus on customization to meet specific industry requirements and provide global supply options.
