Philippine company selling optical modules

Overview

Makoto is involved in producing Optical products consistently for over 50 years since the establishment.

Key Takeaways

Several Philippine companies supply optical modules, including IT Warehouse, Makoto, SKY PFM Limited, and Telematico Corporation. Key SuppliersIT Warehouse is a trusted distributor of fiber optic equipment in the Philippines, offering SFP modules, OLTs, ONUs, fiber cables, connectors, and splicing tools for ISPs and enterprises. They provide a wide range of networking solutions suitable for both commercial and industrial applications.

Makoto has over 50 years of experience in the optical industry, producing high-precision optical products and assembling optical units in-house as an OEM supplier. They focus on quality and quick response to customer requirements.

SKY PF

M Limited specializes in fiber optic modules and transceivers, including SFP, CWDM, and GBIC modules. Their products feature hot-swappable interfaces, LC-type pluggable optical connectors, and compliance with ROHS standards, suitable for long-distance transmission and high-performance networking. Telematico Corporation offers a variety of SFP transceivers and optical modules for end-to-end fiber and copper network solutions, catering to both enterprise and service provider needs.

Additional Companies

Other notable Philippine companies involved in fiber optic solutions include Fibercom Telecom Phils., Inc., Streamtech Systems Technologies, Inc., Asian Vision, and Fulrubell Corporation, which provide fiber optic cables, GPON OLT/ONU solutions, and ICT services. These companies often combine product sales with installation, maintenance, and network planning services.

Summary

For businesses or individuals seeking optical modules in the Philippines, IT Warehouse, Makoto, SKY PFM Limited, and Telematico Corporation are reliable options. Depending on your needs, you can choose between distributors, OEM manufacturers, or companies offering integrated fiber optic solutions with technical support and installation services.
