Price list for 4-core aluminum optical fiber cable

Overview

4 Core Fiber Optic Cable Price List with OWIRE SolutionsUnderstanding the 4 core fiber optic cable price list is essential for procurement teams and projec.

Key Takeaways

4-core aluminum optical fiber cables typically range from $0. 40 to $1. 80 per meter, depending on type, length, and environmental specifications.

Pricing Overview

The cost of 4-core fiber optic cables varies based on several factors, including single-mode vs. multimode, cable jacket material, installation environment, and manufacturer. For example, single-mode OS2 cables designed for long-distance transmission are generally more expensive than multimode OM3 or OM4 cables used for shorter indoor runs. Indoor distribution cables: Approximately $0.

40 per meterOutdoor or armored cables: Up to $1. 80 per meterStandard 100-meter reel of single-mode OS2 cable: $60–$90, depending on customization and order volume Bulk orders: Discounts are often available for purchases exceeding 1,000 meters Factors Affecting PriceFiber Type: Single-mode fibers support longer distances and higher performance, costing more than multimode fibers. Jacket Material: PVC, LSZH, or armored jackets influence durability and price, especially for outdoor or harsh environments.

Length: Longer cables cost more due to material usage, but custom lengths can be requested. Brand and Quality: Reputable brands like OWIRE and Finolex provide tested, certified cables with warranties, which may slightly increase cost but reduce maintenance and failure risks. Supplier ExamplesOWIRE: Offers a wide range of 4-core cables with factory testing, compliance certificates, and customization options such as color-coded jackets or hybrid fiber-copper configurations.

Finolex: Provides 4-core optical fiber cables with dealer and wholesale pricing available for bulk procurement. Ray of Fiber: Lists complete price ranges for different cable types, lengths, and manufacturers, including single-mode and multimode options.

Recommendations

When purchasing 4-core aluminum optical fiber cables, consider long-term reliability and installation environment. Avoid unusually low-priced options that may compromise fiber purity or jacket durability. For large-scale projects, request bulk pricing and customization to optimize cost-efficiency and system organization.
