Price of custom-made cable trays in Lebanon

Overview

Manufacturer & supplier of cable trays. Hot-dip galvanized, stainless steel & aluminum trays for MEP projects in Middle East and Africa.

Key Takeaways

Customizing cable trays in Lebanon typically costs between $2 and $25 per meter, depending on material, type, finish, and project requirements.

Factors Affecting Cost

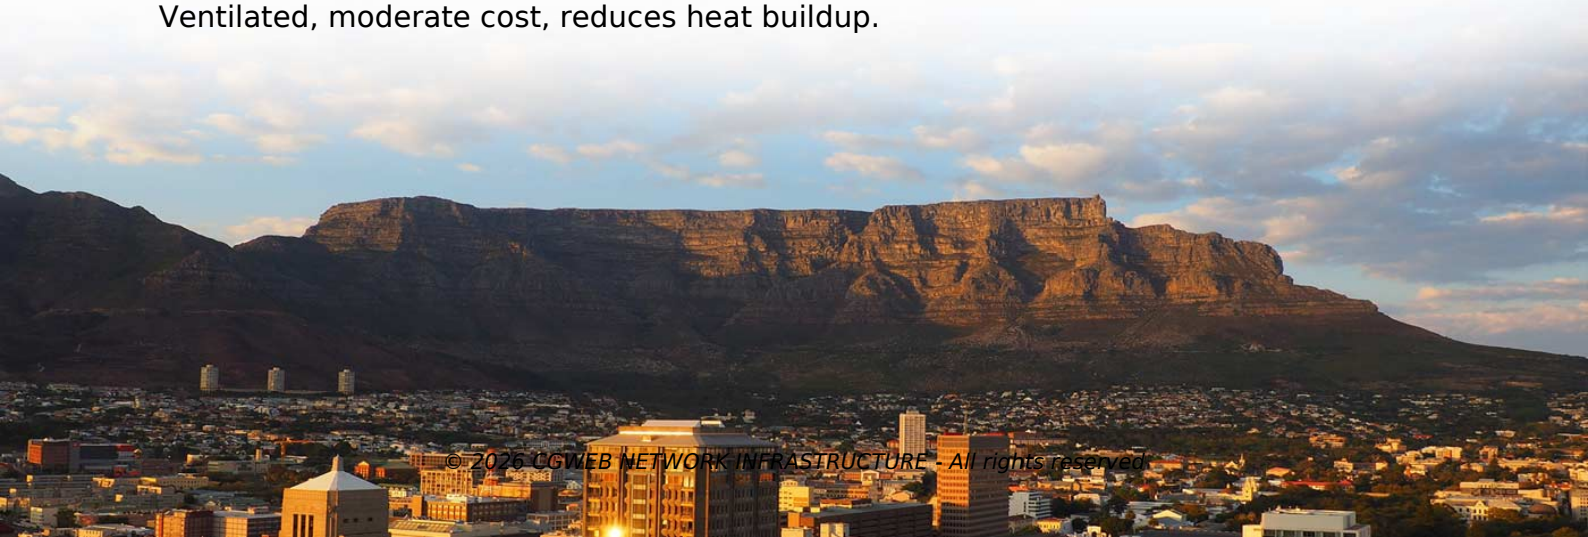

Material Type

Galvanized Steel: Most common, durable, and cost-effective. Stainless Steel: Higher corrosion resistance, suitable for harsh environments, more expensive. Aluminum: Lightweight and rust-proof, generally pricier than steel.

Plastic/PVC: Budget-friendly but limited to light-duty applications.

Tray Type and Design

Ladder Trays: Strong, suitable for heavy cables, higher cost. Perforated Trays: Ventilated, moderate cost, reduces heat buildup.

Wire Mesh/

Basket Trays: Lightweight, cheaper, ideal for smaller installations. Finish and CoatingHot-Dip Galvanized (HDG): Long-lasting outdoors, higher upfront cost. Powder Coated: Protects against wear, available in colors.

Pre-

Galvanized: Lower cost, less durable in corrosive environments.

Customization and Accessories

Custom lengths, bends, junctions, and supports increase cost. Accessories like brackets, covers, and connectors are additional expenses.

Labor and Installation

Skilled labor costs vary by region and project complexity. Installation, welding, cutting, and finishing add to the total cost.

Shipping and Project Scale

Bulk orders may reduce per-meter cost. Heavier trays increase shipping expenses.

Estimated Price Range

Basic perforated or wire mesh trays: $2–$10 per meter. Standard galvanized ladder trays: $10–$18 per meter. Stainless steel or aluminum trays with custom finishes: $18–$25 per meter.

Local Suppliers in Lebanon

Kivolt Lebanon: Offers galvanized, stainless steel, and aluminum trays for commercial and industrial projects.

SFS

P Lebanon: Provides ladder, basket, and trunking systems with various finishes and compliance with international standards. Tip: For accurate pricing, request a quote from local suppliers specifying tray type, material, length, and any custom features. Bulk orders and standard designs can significantly reduce costs.
