Price of ladder-style cable trays

Overview

Cable Ladder Trays When it comes to Cable Ladder Trays, you can count on Grainger. Supplies and solutions for every industry, plus easy ordering, fast deli.

Key Takeaways

Ladder-type cable trays typically range from ₹90 to ₹100 per meter in India, with prices varying based on material, size, and supplier.

Price Overview

The cost of ladder-type cable trays depends on several factors including material (galvanized steel, stainless steel, aluminum), dimensions, load capacity, and manufacturer specifications. In India, some of the most affordable suppliers offer prices starting at ₹90 per meter (Global Manufacturers and Traders) and ₹100 per meter (Canco Fasteners, Excel Metal & Engg Industries) as of July 8, 2026. Standard lengths are often 2.

4 meters per section for hot-dip galvanized trays. Material and SpecificationsHot-dip galvanized steel: Common for corrosion resistance and durability, suitable for industrial and commercial installations. Stainless steel: Higher cost but ideal for corrosive environments or outdoor use.

Aluminum: Lightweight and corrosion-resistant, often slightly more expensive than galvanized steel. Tray dimensions, such as side rail height (4", 5", 6", 7") and width, also influence pricing, with larger or heavier-duty trays costing more.

Additional Costs

Fittings and accessories: Elbows, tees, and splices are priced per piece and can add to the total cost. Installation: Labor and mounting hardware may increase overall project expenses. Supplier OptionsIndiaMART suppliers: Radiance Enterprises, Bajiya Industrial Corporation, and R V Electricals provide competitive pricing and bulk order support.

International suppliers: McMaster-Carr and Legrand offer a variety of ladder trays with same-day or next-day delivery, suitable for commercial or industrial projects. Understanding these factors helps buyers balance initial investment with long-term durability, ease of installation, and maintenance benefits.
