Price per unit of cable management rack

Overview

Amazon.com: Cable Management RackDiscover cable management racks designed for desks and server installations. Keep cables organized and out of sight. Cable.

Key Takeaways

Cable management racks typically range from $15 for small desk-mounted bars to over $200 for heavy-duty ladder racks.

Desk and Server Rack Cable Management Bars1

U or 2U metal cable management bars for standard 19" racks usually cost $15–$50 depending on depth and material (e.g., Dynamix PP-CM001 or PP-CMM55) as listed on PBTech. These bars often include cage nuts and protective caps, and are suitable for organizing cables in server racks or network cabinets.

Ladder and Heavy-

Duty Racks

Cable ladder racks designed for data centers or network closets are more robust, supporting up to 187 lbs and fully welded for heavy-duty use. Prices for these systems typically start around $150–$250 per section, depending on width, length, and accessories. These racks allow for overhead cable management and can be customized with additional accessories to create a complete cabling solution.

Online Retail Options

Amazon offers a variety of cable management racks for desks and server installations, with prices ranging from $15–$100 depending on size and features. Newegg provides options compatible with multiple rack types (2-post, telco, relay racks) and supports standard mounting threads, with prices generally in the $20–$80 range.

Summary

Small desk-mounted or 1U/2U rack bars: $15–$50Mid-range server rack cable organizers: $50–$100Heavy-duty ladder racks for data centers: $150–$250+When selecting a cable management rack, consider rack compatibility, depth, weight capacity, and whether it includes mounting hardware. Checking current listings on Amazon, Newegg, PBTech, or Rackmount Solutions will provide the most up-to-date pricing and availability.
