Price range of metal cable trays in Egypt

Overview

Cable tray | MetalEgyptBy preventing cable tangling and allowing easy access for maintenance and upgrades, cable trays enhance safety and minimize the risk.

Key Takeaways

The price of metal cable trays in Egypt varies by type, material, size, and thickness, typically ranging from EGP 150 to EGP 600 per meter depending on specifications and accessories.

Price Factors

The cost of cable trays depends on several key factors: Type of tray: Perforated, solid-bottom, ladder, or ventilated trays have different prices due to manufacturing complexity and material usage. Material: Galvanized steel, aluminum, or stainless steel affect the price. Hot-dip galvanized trays are generally more expensive than cold-galvanized or aluminum options.

Dimensions: Length, width, and side height influence the cost. Standard lengths are usually 2–3 meters, with widths from 100 mm to 600 mm. Sheet thickness: Typically ranges from 0.

8 mm to 2 mm, with thicker sheets costing more. Accessories: Covers, connectors, angles, and mounting hardware add to the total cost. Installation method: Wall-mounted, ceiling-suspended, or floor-mounted systems may affect pricing due to labor and support requirements.

Order quantity: Bulk orders or large project contracts often receive discounts.

Typical Price Ranges

Perforated steel trays: EGP 150–350 per meterSolid-bottom steel trays: EGP 200–400 per meterLadder-type trays: EGP 250–600 per meterAluminum trays: EGP 300–500 per meterAccessories: EGP 50–150 per piece depending on type and sizeLeading Suppliers in EgyptUnited Engineers: Offers a wide range of cable trays with custom sizes, thicknesses, and finishes, providing competitive prices and technical support. El Masrya El Almanya Company: Specializes in metal forming and cable trays, including perforated, solid, and ladder types, with rapid delivery for industrial projects. Rovana Trade Factory: Manufactures trays using hot-dip and cold-galvanized materials, adhering to Swedish-approved standards and electrostatic coatings.

Al-

Yathreb Factory: Focuses on precision metal forming and cable management systems, including solar energy structures and storage systems. El Salam Metal Industries: Provides integrated metal solutions with high precision for industrial projects.

Purchasing Tips

Request a detailed quote specifying tray type, material, dimensions, and accessories. Compare multiple suppliers to ensure competitive pricing and quality. Consider bulk orders for discounts.

Verify that the trays meet modern safety and quality standards for industrial use. For the most accurate and up-to-date pricing, contacting suppliers directly is recommended, as prices fluctuate based on material costs, project size, and market conditions.
