Ranking of Indian Galvanized Cable Tray Manufacturers

Overview

Need reliable cable management? Discover leading Indian manufacturers of galvanized steel, perforated, and custom cable trays for industrial projects.

Key Takeaways

Top Indian companies for high-quality galvanized cable trays include ELCON Group, Super Steel Industries, KP Green Engineering, and Sharda Cable Trays, all known for durability, corrosion resistance, and industrial-grade performance. Leading ManufacturersELCON Group has over 34 years of experience in cable management solutions, offering ladder and perforated cable trays with a focus on high-quality fabrication and reliable delivery. Super Steel Industries specializes in galvanized steel cable trays, including ladder and perforated types, designed for heavy-duty industrial applications.

Their products are noted for exceptional corrosion resistance and the ability to support substantial cable loads.

K

P Green Engineering provides a wide range of cable trays made from mild steel, pre-galvanized steel, and FRP. They offer customization in thickness, width, and length, with in-house galvanizing facilities ensuring precision and compliance with international standards. Sharda Cable Trays Pvt Ltd manufactures perforated and ladder-type trays with essential accessories and customization options, emphasizing durability and effective cable management for industrial electrical applications.

Other notable manufacturers include Patny Systems Pvt Ltd, R. K. Engineering Works, and FAB Industries, all offering high-quality galvanized trays with strong focus on timely delivery, customization, and compliance with IS and IEC standards.

Key Considerations

When selecting a manufacturer, consider: Material quality: Ensure trays are made from genuine galvanized steel for corrosion resistance. Product range: Ladder, perforated, and wire mesh trays for different load and ventilation requirements. Customization: Ability to adjust tray dimensions, thickness, and accessories.

Compliance: Adherence to IS, IEC, or UL standards for safety and reliability. Experience and track record: Companies with decades of experience often provide better quality control and project support. For industrial and commercial projects in India, ELCON Group, Super Steel Industries, KP Green Engineering, and Sharda Cable Trays are widely recognized as top choices for genuine galvanized cable trays.
