AM-PRO Industrial Co. manufactures electrical panels and cable trays, providing fabrication, engineering, and on-site installation services across the Philippines. They are based in Mindanao, with facilities in Davao and Cagayan de Oro. Brilltech Engineers Pvt.

Ltd. supplies durable cable trays made from galvanized steel, stainless steel, and fiberglass. They offer perforated trays that enhance airflow and prevent overheating, suitable for both small and large projects. Cosine Industries Inc. offers wire ways and cable trays for routing electrical cables between panelboards and loads, with various metal sheet options and configurations to meet specific project requirements.

Considerations for Choosing a ManufacturerMaterial and durability: Ensure trays are suitable for the environment (indoor, outdoor, industrial). Customization: Some manufacturers provide tailored solutions for specific project needs. Compliance: Check for adherence to safety and performance standards.

Geographic coverage: Consider manufacturers with facilities near your project site for faster delivery and support. These manufacturers provide a range of cable tray solutions suitable for commercial, industrial, and infrastructure projects in the Philippines.
