Sri Lanka electrical distribution box manufacturers and sellers

Overview

Top Electrical Distribution Manufacturers in Sri LankaDiscover all relevant Electrical Distribution Manufacturers in Sri Lanka, including Ceylon Electricit.

Key Takeaways

Top suppliers in Sri Lanka include Gunarathne Electricals, Homemart, Bianco (CEYLEKTRA), Cubik, Daraz.lk, and Everbolt (Hensel products), offering a wide range of high-quality distribution boxes and enclosures.

Key Suppliers and Offerings

Gunarathne Electricals offers a variety of distribution boxes including metal, plastic, waterproof, and IP-rated enclosures suitable for residential and commercial use. They provide options from 8-way to 42-way boxes, including weatherproof IP65 and IP66 enclosures, with competitive pricing and online ordering available. Homemart stocks durable and high-quality distribution boxes from trusted brands like Kevilton and Orange.

Their range includes junction boxes, sunk and surface mount boxes, and mounting accessories, with convenient island-wide delivery. Bianco (CEYLEKTRA) specializes in industrial and commercial-grade metal distribution boxes and enclosures. Their products are wall-mounted or free-standing, powder-coated for corrosion resistance, and compliant with IP and IEC standards, making them ideal for heavy-duty applications.

Cubik Engineering Co. provides tested enclosures and modular panel systems, including TIMIK and MODIK panels, suitable for low-voltage switchboards and outdoor installations. They emphasize quality, timely delivery, and technical support, catering to both industrial and commercial needs. Daraz.lk offers a wide online selection of distribution boxes, including IP65/IP67 waterproof enclosures, ABS plastic boxes, and MCB panels.

This platform is convenient for comparing prices and purchasing from multiple brands with delivery across Sri Lanka. Everbolt (Hensel products) represents Hensel in Sri Lanka, providing German-engineered junction boxes, distribution boards, and weatherproof enclosures. Their products are designed for industrial, infrastructure, and renewable energy applications, ensuring high safety and durability standards.

Considerations When Choosing a SupplierProduct Type: Determine whether you need metal, plastic, waterproof, or IP-rated enclosures. Application: Industrial vs. residential use may require different standards and certifications. Delivery and Support: Reputable suppliers like Cubik and Homemart provide technical advice and timely delivery.

Compliance: Ensure products meet IP, IEC, or local safety standards, especially for industrial installations. These suppliers collectively cover a broad spectrum of needs, from small residential junction boxes to industrial-grade distribution panels, making them reliable choices for electrical distribution solutions in Sri Lanka.
