# UAE Temperature Sensor Optical Cable Price Inquiry

## Overview

Emphor IPS is a leading suppliers of Cable temperature sensors in UAE. Get high-quality industrial products from global brands at best prices. Enquire Now!

## Key Takeaways

Temperature sensor cables, including PT100 and APC sensor cables, are available in the UAE with prices varying by type, length, and vendor, typically ranging from AED 100 to AED 500+ depending on specifications.

### Key Suppliers and Products

#### Emphor IP

S: Offers industrial-grade cable temperature sensors suitable for oil & gas, petrochemical, and power industries. They provide high-quality products from global brands and allow inquiries for pricing and customization in the UAE. Dubai Sensor: Stocks a variety of temperature sensors including PT100 RTDs, thermocouples, and cable-type probes.

For example, the JK Wire-RTD PT100 Teflon-insulated cable and K-type thermocouples are available with customizable lengths and insulation types. Prices depend on the sensor type, cable length, and insulation material.

### RS UA

E: Offers a broad range of temperature sensors suitable for industrial, commercial, and domestic applications, with online ordering and a 5% discount.

### Microless UA

E: Sells APC Temperature Sensor Cables for UPS systems, such as the Easy UPS 3M Advanced and 3-Phase Modular Range. These cables are available for express delivery across major UAE cities, with competitive pricing. Amazon.ae: Lists PT100 sensors and related cables, though stock is limited and prices vary depending on size and specifications.

Pricing OverviewPT100 RTD cables: Typically AED 150–400 depending on length and insulation. Thermocouple cables (K-type, J-type): Usually AED 100–350, with stainless steel or Teflon insulation affecting the price.

### APC UP

S temperature sensor cables: Around AED 200–500 for 3-meter advanced models.

### Recommendations

Determine the sensor type required (PT100, thermocouple, or APC-specific) based on your application. Check cable length and insulation requirements, as these significantly affect price. Contact suppliers directly (Emphor IPS, Dubai Sensor, Microless UAE) for bulk orders or custom specifications to get the best pricing.

Consider delivery options within UAE cities like Dubai, Abu Dhabi, Sharjah, and Ajman for faster procurement. By comparing these suppliers, you can select a temperature sensor optical cable that meets your technical and budgetary requirements in the UAE.
