Waterproof 6-circuit circuit breaker distribution box

Overview

(1) Waterproof distribution box engineered for harsh outdoor and industrial environments, providing IP65–IP68 sealing against dust, rain, and UV. (3). Full Blank Covers for Every Slot: Our distribution box comes with pre-installed blank plates that keep unused circuits securely covered, leaving no exposed gaps that could reveal wiring. Whether you use all circuits or just a few, your setup stays protected, neat, and ready for future expansion. A 6-way power distribution box for mounting miniature circuit breakers (MCBs), with bus bars and a DIN rail to organize and connect multiple circuits. Constructed from PC+ABS (165 x 200 x 100 mm), it is rated IP66 and IK08 for dust, water and impact resistance and includes waterproof connectors. Electricians and DIY enthusiasts, this waterproof breaker box is perfect for organizing and protecting your electrical circuits! The IP66 rating means it's completely dust-tight and protected against powerful water jets, making it ideal for outdoor installations, workshops, garages, or any location. ZCEBOX manufactures IP65 & IP66 waterproof distribution boxes for outdoor and industrial applications. Built with durable materials, CE & ROHS certified. It is suitable for indoor and outdoor installations, making it ideal for residential buildings, workshops, hotels, shopping malls, power stations, and more.
