Where can I find cable trays in Sri Lanka

Overview

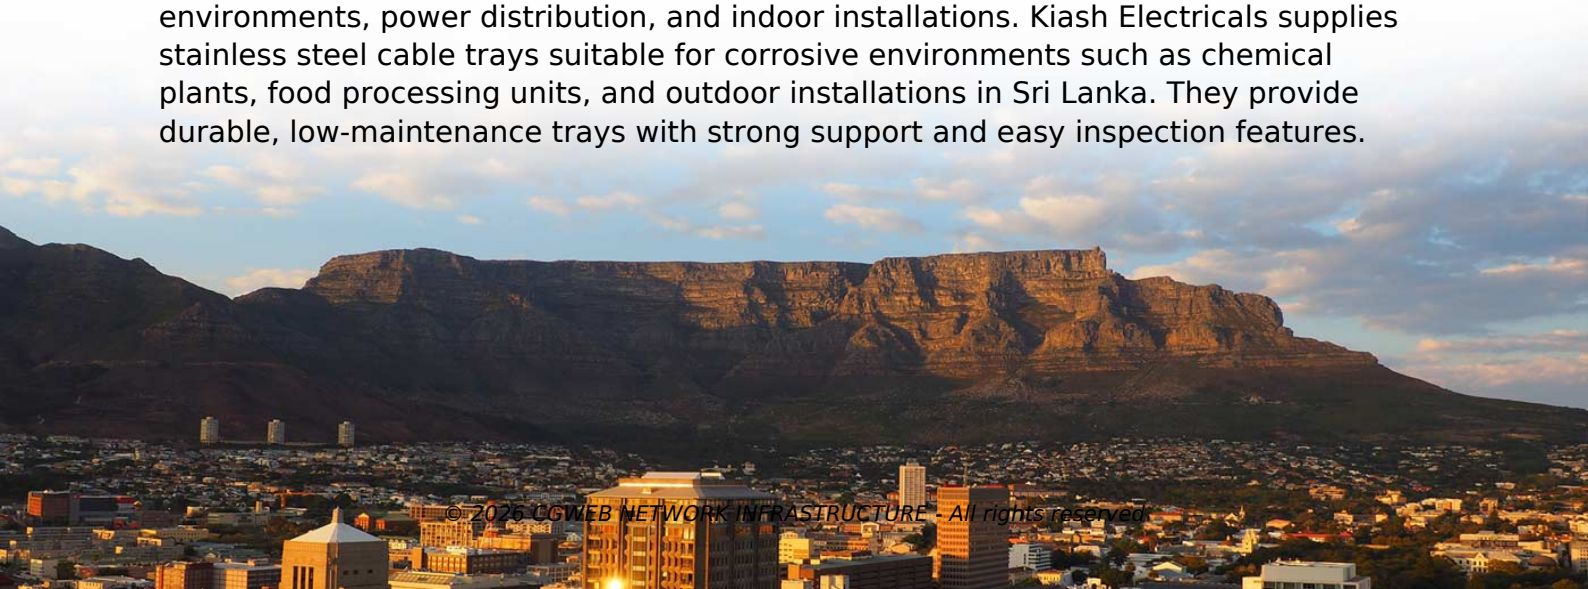

We provide a variety of cable trays and accessories, including electro galvanized, hot dip galvanized, steel, aluzinc, and aluminum alloy options.

Key Takeaways

Cable trays in Sri Lanka are available from suppliers like Eastlink.lk, C & D International, Bianco, and Kiash Electricals, offering a variety of materials and finishes for industrial and commercial use. Key Suppliers and OptionsEastlink.lk offers a wide range of cable trays and accessories, including electro-galvanized, hot-dip galvanized, steel, aluzinc, aluminum alloy, and stainless steel trays. Their products are designed for safe, efficient, and organized cable distribution in various environments.

C & D International (Pvt) Limited provides cable management systems, including cable trays suitable for industrial and commercial applications. They offer multiple options for different installation needs. Bianco features hot-dip galvanized and powder-coated cable trays and ladders, manufactured to EN 61537 standards for durability and corrosion resistance.

Their products, including CEYLEKTRA and GERSAN brands, are ideal for harsh environments, power distribution, and indoor installations. Kiash Electricals supplies stainless steel cable trays suitable for corrosive environments such as chemical plants, food processing units, and outdoor installations in Sri Lanka. They provide durable, low-maintenance trays with strong support and easy inspection features.

Considerations When Choosing Cable Trays

Material: Stainless steel for corrosion resistance, aluminum for lightweight applications, galvanized steel for general industrial use. Finish: Powder-coated trays offer enhanced aesthetics and protection for indoor environments. Standards Compliance: Look for products meeting EN 61537 or ISO 1461 for quality assurance.

Application: Choose trays based on environment (indoor, outdoor, chemical exposure) and load requirements. These suppliers provide both local and imported options, and most can handle bulk orders or customized sizes for specific projects. For inquiries or purchases, visiting their websites or contacting their sales teams directly is recommended.
